Who do you guys think will win worlds this year?

Also why do you think they will win ? i think SKT will take the cup for the thirth time because they are a very strong and dominant team.

brutal_hobo - October 26, 2016, 3:47 am

my money is on SSG, after the 2nd week of group stages they looked really strong and thought they would win from there

also corejj is a pretty cool guy

SKT will win. They are just so dominant and have been forever. I predict SSG take game 1 then SKT take 3 games straight.

I think seeing as tsm took a game off ssg in groups skt will 3/0 them.

Yes they are very good, but remember they were the 3rd korean seed. Which basicly already means skt is better by statistics.

fw took a game off of skt too

and rox was first seed, they lost to skt

but both teams have improved every single week

so its going to be a good game nonetheless

There's an in-depth prediction here:

<https://gamurs.com/articles/worlds-2016-how-samsung-can-bring-down-a-dynasty>

My money is still on SKT, but I think it will either be a flawless victory or extremely close.

In other words; after game one, if SSG is on par with SKT, then I think SKT should still be able to win- but it would be very close.

SKT they're so strong. Plus I think they have a better mentality. Like they went 1-2 down and came back to win 3-2 even after the surprise mf support. I think it will put pressure on SSG as it does to every other team.

Pretty sure SKT will win this game. SSG is a really good snowballing team and has really high win ratio against teams that are worse than them. They have a really hard team against KT bullets, ROX and SKT they have only won once against KT and never against SKT & ROX. Their group and road to the finals wasn't even that hard for them, they are a strong team. but they haven't any chance against SKT (or even ROX). i wouldn't bet myself money on a game but if i needed to.. it would be 95% SKT.

Edit: I even think it will be 3-0 maybe 3-1

twalig - October 26, 2016, 2:45 pm

3-1 skt will win worlds. I think SSG is good, but they can't compete rox and skt.

Paizuri - October 26, 2016, 6:20 pm

I'd like to see SKT win again but SSG is very strong too.

icycrayon - October 27, 2016, 12:02 am

yeah i'd also just like to see skt win worlds for the third time that is so epic man

:D - October 27, 2016, 10:14 am

3-1 SKT. SSG will take 3rd game

r4z - October 27, 2016, 10:49 am

SSG will surprise and win 3-2 . My predictions been correct so far!

Baccy - October 27, 2016, 1:34 pm

I hope that SKT will win. Just gonna be boring because it's going to be the same set of worlds skins.

yeah pretty soon every champion in the game will have a skt skin lol

DontQQSoMuch - October 28, 2016, 5:43 am

SKT will completely destroy SSG. 3-0 or 3-1

Every solo laner is individually better for SKT (maybe except for Cuve vs Duke), their macro is better, they're more experienced and they play every phase of the game better than SSG.

wallblack - *October 29, 2016, 4:24 am*

it will be a hard match

ssg is playing really good this year

Celtic - *October 29, 2016, 9:40 am*

SKT 3 - 1

People keep saying SSG are good and that but they have only played weak teams in worlds in my opinion.

Reissfeider - *October 29, 2016, 9:41 am*

skt always win lmao ssg is pretty good though.
