Congratulations man, thats alot of money you made there!

KFC Watermelon - October 26, 2016, 5:47 pm

Net Profit

-238,860.32 bits

Uh I think you lost it all there buddy

238,860 bits is

0.23886 BTC.

His net profit is down, check his gross profit.

His net profit is down, check his gross profit.

Gross profit refers to the sum of the profit from each game you've played without considering your losses.

learn somet new every day well isnt that sexy

DONT USE ROCKETR - *October 26, 2016, 5:59 pm*

And now you're down 250k bits. Quit the gambling dude it's obviously not worth it as you can see.

Rubixa - *October 26, 2016, 6:59 pm*

Went from over 800k bits to -200k bits real quick, lol

Brandify - *October 26, 2016, 7:04 pm*

Congratulations on your earnings dude!

Sharjah - *October 26, 2016, 7:05 pm*

LOL YOU GOT FUCKED. SUCKS FOR YOU OP. LEARN TO GAMBLE

bobjoe7 - *October 26, 2016, 7:08 pm*

the best thing and hardest lesson to learn
don't gamble

just leave now and take the lost,

you will thank me later

Strictly - *October 27, 2016, 12:22 am*

Those are some impressive earnings. Congrats!
