Thread: [Found exploit for site with double withdrawl. - Need a couple dollars to test](#)

Mr. Robot - October 27, 2016, 6:31 pm

So another user found an exploit for a site, I am currently broke so I can't abuse this bug but I can double your money is all i'm saying.

If you can chuck me a few dollars to get me started - I would appreciate it. can do some doxes or something in exchange.
