Lol how is that guy unable to speak at first lol clearly a virgin -

Any guy who has head while watching TV knows how easy this would be.

Only part that would fuck me off is if she kept going after I came but for real, just don't cum.

Side note, why OP? Why?

Prophett - October 28, 2016, 8:29 am

Easily. I could even do it whilst getting head.

Is it really that difficult to properly embed the video on HF??? Jesus H Christ!

Mr.Peanut - October 28, 2016, 9:18 am

Imao that moment when there's only English comments on a Japanese video. Even though this is newly posted on YouTube, I feel like I've seen this before.
