Thread: [\[\\$2.5\] .EDU Emails | Private | Free Student Benefits - Amazon Prime, Github](#)

**Gluteus Maximus** - October 31, 2016, 8:42 am

Emails are not cracked and created through a private source, not blacklisted anywhere. You are the sole owner and keep it as long as you want, no expiration. Replacements until 48 hrs if it stops working.

Tested to work with:

Amazon Prime Student (Free 6 months): <https://www.amazon.com/gp/student/signup/info>

Adobe Creative Cloud (60% discount): [www.adobe.com/in/creativecloud/buy/students.html](http://www.adobe.com/in/creativecloud/buy/students.html)

GitHub Student Developer Pack (Free access to lots of developer tools and services including free \$50 DigitalOcean credit): <https://education.github.com/pack>

Bestbuy (Student Discounts): [www.bestbuy.com/site/global/college-student-deals/](http://www.bestbuy.com/site/global/college-student-deals/)

Microsoft Dreamspark (Free Microsoft Products): <https://www.dreamspark.com>

AWS Educate (Free AWS credits): <https://aws.amazon.com/education/awseducate/apply/>

Mindsumo (Get paid to solve problems): <https://www.mindsumo.com>

Namecheap (Free .me domain and discounted other domains): <https://nc.me/>

Office 365 (Free): <https://products.office.com/en/student/office-in-education>

Autodesk (Free software for students): [www.autodesk.com/education/free-software/all](http://www.autodesk.com/education/free-software/all)

JetBrains (Developer Tools): <https://www.jetbrains.com/student/>

Price and Autobuy:

\$2.5 BTC: <https://hexpay.org/p/080sg>

TOS:

1. No refunds.
2. Only Bitcoin accepted, do not ask to pay with PayPal.

Are these emails any of the public ones? Like smccd, vccs, any California College, Maricopa, Australia, Canada College, zonemail or eaglemail?

**Infinity.** - November 3, 2016, 7:34 am

Namecheap (Free .me domain and discounted other domains): <https://nc.me/>

This one doesn't work. A note to future buyers.
