What means random in this case? What are the options to get? I mean is it like every single skin

that exists or what.

IntelCore8700K - November 1, 2016, 9:20 am

You can get anything it is really completely random

tbh dude no one will buy it when it's like this, open a site, let people deposit and open cases or some shit, atleast it will look legit and random, add hash code of random.org or something...

Pretty sure OP is using a site like Drake moon to open cases then selling the content here.

milw0rm - November 1, 2016, 4:33 pm

give me a vouch copy of skins

Jeffie - November 1, 2016, 7:29 pm

interested in 30 random skins, but that warning level is kinda high for my liking
