Thread: [\[Ebook Guide\] - How to make a Macro for Ewhoring!](#)

SIM-2998667 - November 3, 2016, 1:32 pm

I made a small guide on how to make a simple but powerful Macro for Ewhoring.

With the guide you'll basically be able to press "F1" and have it type out "Hi, i'm selling my naughty pics, are you interested? xx :)"

And then have F2 type out the prices for the user, and so on.

Let me know if you want it and I will PM you the download link!
