I've got scammed by Jayy. aswell

<https://hackforums.net/showthread.php?tid=5446558>

seems all ppl asking for spoofing got scammed.

i really hope some Mod or Admin have look at this

<https://hackforums.net/showthread.php?tid=5446558>

uid 3015751

He is scamming lots of ppl around, still scamming.

Tsunfire - November 5, 2016, 6:15 am

Proof that's him? But it's apparent he's scamming other people too so at least add amount and UID to title and post.

BlackBull - November 6, 2016, 11:38 am

So admins don't ban him why ?

POSTiGA - November 11, 2016, 5:58 am

Bumping becuase Jayy. scammed me too

Caution,

Total bullshit and very talented scammer !!..

Im confirmed their servers is not spoofed and Jayy. suspended my server !!!
