I am still looking for this :(

Heart of Kings - November 6, 2016, 5:39 pm

I will pay well if someone can do this for me. It shouldn't take that long but for some reason I can't figure out what my mistake is.

Thanks!

What type of accounting? I have a minor in it. Is it just basic accounting (You have some accounts, and you need to account for changes/updates to accounts) or is it something like QuickBooks?
