Also, if you have an item, or a program, or anything that needs selling on this Marketplace, look at [this](#) thread to increase your sales. I offer the service to anyone who wants it. 1k Bots Is \$65 :S

Installs.

Hmm... Something Doesn't Add Up.

As Other People Are Selling bots for 0.04 an install.

Aka \$40 Per 1k

:S

#GoonSquad - July 16, 2010, 12:51 pm

Looks a little overpriced since most people sell for .05 or even .04. Goodluck selling though.

Crack Rocks - July 16, 2010, 12:53 pm

For installs this is a little high in price but I will consider it.

Before you talk shit, learn shit. I have to convert the PayPal money into WMZ, which is a fee that would probably only give me around \$17 WMZ. KRB's are 1k/\$70 installs as well. We can go to 30/1k if we wanted, but then we'd be getting around \$7 in total for every sale or something like that. Yes, great deal for you, but HORRIBLE for us.

Well said lol. And I'm sure their quality bots, even though I haven't purchased.

iDarky - July 16, 2010, 10:29 pm

If some one can exchange paypal > wmz

At a 1:1 ratio, then sure I will go to atleast \$40 per 1k

Yin - July 16, 2010, 11:30 pm

Price lowered, now it's \$50.
