Thread: [Crunchyroll Guest Pass Thread - Post Them Here!](#)

SkullCandy - November 5, 2016, 7:30 pm

Creating a thread for people to post their Crunchyroll Guest Passes for other users to experience legal streaming. I am a big advocate of supporting the industry so I think this is a good idea for our little community to entertain.

In here you can also request a guest pass from others users, therefore bumping the thread for people who have a spare one to give to find it!

I will start: http://www.crunchyroll.com/guest_pass?code=JQ779KB6S8U

Might be better to have a newer thread since the old one had so many that we may not know if they're taken/expired or not, as well as not being 20+ pages in length ;)

We'll go with a new thread then,

Thank you :) Also if you use a code then post it down here so people know which ones are used! Also you can say what you are going to watch first and stuff!
