Thread: [Please help me find some new manga](#)

Alexander Gremory - November 6, 2016, 12:37 am

Hey guys, I'm currently looking for two types of manga to read, please give me some help. Please don't suggest any manga where the main character isn't a male, I can't/don't relate to female protagonists in stories.

Manga where the MC is just a misunderstood delinquent/delinquent wanting friends/love. He can be a real delinquent, violent to the extreme, etc etc, but I want it to at least have him showing his gentle side/getting together with/making friends with some female character. A few examples:

[Yamada-kun To 7-Nin No Majo](#)

[Haganai](#)

[Angel Densetsu](#)

[Transer Student Storm Bringer](#)

[Ochanigosu](#)

[Mx0](#)

[Kimi ni Koishitei Desu Ka](#)

I don't have any examples of this, but I want some help in finding a manga to read where the MC is a legit lolicon. Straight up, he doesn't have to admit it to the public or anything, but I want the lolicon being integral to the story. A few close examples (where the MC falls for a loli but isn't a lolicon)

[Koi Kaze](#)

[Momoiro Meloik](#)

[Miman Renai](#)

^^ If you really can't find any lolicon protagonists, then ones where they fall/pick the loli also works.

Thanks a bunch for any recs you guys can give.

Edit;

I FOUND A LOLICON MANGA! Check it out if you will.... Sadly it only has a few translated chapters despite already being completed with over 100.

Gantz doesn't really fit either example... Are you even trying? Or do you just love Gantz so much that you want to recommend it irregardless of anything else?

Thank you for the recommendation, I found the anime to be poorly made however the manga ended up being somewhat interesting.

Ajin is good

Renai Boukun

Horimiya (my all time fucking favorite)

Kyou no Cerberus

Kanojo ni naru hi (both manga are amazing)

Yuragi-sou no Yuuna-san (hilarious and ecchi)

Ai Yori Aoshi (my fav)

Princess Lucia (it's okay)

Hajimete no Gal (Ecchi but it's meh)

Shingetsutan Tsukihime (Vampires etc etc it's good)

Close, however he is a legit yankee without any misunderstanding nor is he trying to make friends. It is more the antics of a crazy person drawing him in. Thanks for the recommendation, I appreciate it anyway.

Oyasumi Punpun, the main character isn't a misunderstood delinquent/delinquent but it's a great manga about people feelings.
