Thread: [My Nipple is Bleeding](#)

Prophet Banana - November 6, 2016, 1:33 am

My cat stood on my chest and really pressed down on my nipples. I picked him up but his claws were deep into my sweater so I picked him up really fast to get his claws out of my sweater not knowing his claw was also latched onto my nipple and HOLY FUCK. Omg.

Cameron - November 6, 2016, 1:37 am

And to think that people pay to get theirs pierced when all you need is a cat.

test - November 6, 2016, 1:39 am

Grim - November 6, 2016, 1:40 am

I can feel your pain.. :(

It's like when you see someone get cut in between their fingers or toes with a paper, you can just feel it..

Torc - November 6, 2016, 1:51 am

My cat scratched the inside crevices of my armpit once. Hurt like a son of a gun. I wish your nipple a speedy recovery.

Mafty Navue Erin - November 6, 2016, 2:16 am

My cat once scratched my nipple off and I had to have extensive cosmetic surgery done involving a piece of pepperoni in order to save my beloved nipple.
