Hmm.. Giving any vouches?

Random Arab Girl - November 9, 2016, 12:21 am

Would you mind giving out a vouch copy? I've been into account cracking some time now and could leave a honest review.

EnviousMuch - November 9, 2016, 1:31 am

I've gave 2 vouch copies to upgraded members. Waiting for reviews.

Still selling these.

If one of them does not leave a review shortly, I can do a nice review if given a vouch copy

Hey, so I received a a vouch and following is my review for this eBook.

Well I pretty much knew everything as I've been in cracking for a while. This eBook teaches you pretty basic stuffs for cracking, if you are pretty new to cracking then this is a great eBook. It also provides tools and places to get modules etc. This eBook is pretty neat and easy to read. I'll suggest everyone who is new to buy! Price is also pretty affordable.

To OP:

I would suggest you to add some images to guide people more clearly.
