this is a method i have used before but he adds a twist to it that i had never thought of its actually quite genius.

ease of use 4/5

great for US members but works worldwide with a few tweaks that he outlines a noob can do this investment is needed as with any good method

overall 4/5

he explains things clearly and pretty quick. any hitch you run into he explains a work around overall well worth the money he is asking investment is needed to get the most out of the method and i dont see it getting saturated anytime soon

Thank you for the review :) A little sad not more of the people who got review copies came back

instead of just leeching off of it

dani05 - November 11, 2016, 6:05 am

Received a discount copy, My review

[eBook Content]

3/5 simple word document

[Method]

2/5 its not a new method but the seller will guide you step by step and you can make some \$\$\$. It will require an initial investment

[Price]

5/5 a good price for this product. remember knowledge is everything and you can always twist the method and add your own
