Thread: [Clannad, is it good?](#)

Caliban - November 9, 2016, 4:37 pm

Wanting to start a new series, thought why not Clannad but i just saw it got like 50 episodes

Anyone on here watched it? Is it worth it?

Deany - November 9, 2016, 4:38 pm

Yes it's good go watch it

skelly76 - November 9, 2016, 4:48 pm

It looks uninteresting for me... :P

Mafty Navue Erin - November 9, 2016, 5:05 pm

I haven't watched it myself but I hear it is a feels trip if you're into romance.

It is.

@OP, if you know of any other Yanderes HMU. In the mood for another Yuno, already read the manga and watched the OVAs.

K l a u s - November 9, 2016, 8:15 pm

I couldn't get into it, and I gave it a few episodes though.

The first season (is it season?) is hard to finish. It's not bad but... meh, goodish. Clannad: After Story however, ohhh... that's where the real thing starts.

Took me a while to finish the first Clannad but I'm damn glad I did. Once I started and finished watching After Story (the second and final season), I was left speechless. Quite a masterpiece in my opinion.

Give it a try. It's a great series overall if you can get past the first half of it. The soundtrack is awesome as well.

Geass - November 10, 2016, 2:29 am

i heard its good, saw 3 episodes and my eyes couldn't watch anymore this shit so i stop.

#Doge - November 10, 2016, 4:06 am

Do you want to cry? Because that's how you cry.

Esdese - November 10, 2016, 6:43 am

No, don't watch it.

Garbage anime, not worth watching past the first episode.

Hi I'm Agreeable - November 10, 2016, 11:45 am

It's not the best watch, but it's like sao. You have to watch it at some point.

If you ever do, only watch S1, S2 kills whatever promise S1 had

temp_neightworks2 - November 10, 2016, 8:17 pm

Ye clannad pretty lit fam, worth the watch.

+Cloud - November 10, 2016, 8:32 pm

well sure...
watch it...

PinkGenitails - November 11, 2016, 1:55 am

The afterstory is where it gets really good, but the first season builds it to that point.

Caliban - November 11, 2016, 1:44 pm

Alright bois i might start it soon, first gotta watch some other stuff tho

i think anime of that kind tend to be seen as better than they actually are because of a few impactful scenes

I've seen quite a few RomComs and serious romances, I can just say that there's less flaws than some of the other overrated ones.

ndemon - November 12, 2016, 4:39 pm

Watched both seasons,

I liked it, the first season isn't really the same as the second but you have to watch them together.
The second season was amazing, but be warned that its pretty sad.
NOTE: This is my personal opinion, not everyone will agree.

?

ArmadyI - November 13, 2016, 12:32 am

From what I heard from my friends that all cried, it seems pretty good

?heshire - November 13, 2016, 11:29 am

Dango, Dango, Dango, Dango.

If you are looking for an anime to pull at your heart strings this is the one.

Fixed thanks for pointing that out lol :3

icherishmeli - November 13, 2016, 11:51 am

It's really fucking good and got me addicted to Romance/Slice of Life animes.

Reissfeider - November 13, 2016, 11:52 am

It only made me cry a lot.

Stashyy - November 13, 2016, 1:31 pm

That was one of the first to make me cry like a little girl.

Marwix - November 13, 2016, 1:41 pm

You will definitely feel emotions after you've watched the first season and probably be even more interested in the second one.

Do have in mind that you will cry.

Greggoryfiggles - November 13, 2016, 4:17 pm

I would personally Have to say Clannad is One of MY personal Go back and watch for the story, trying not to cry and end up Crying like a baby all over again. it made me fall in love with anime all over again, definitely have to watch the second season after watching the first. It is definitely worth the time to watch in my opinion

Dango, dango, dango, dango, dango, a great dango family
God damn The feels Already

?Dominate - November 14, 2016, 12:11 am

Clannad is fucking amazing, watch it or you will regret it.

robinho200 - November 30, 2016, 8:14 pm

I haven't watched it myself but I hear it is a feels trip if you're into romance.
