Thread: [Brotherhood.'s Currency Exchange - BTC : PayPal - Fast / Smooth Trades - \[OPEN\]](#)

Brotherhood. - November 10, 2016, 2:36 am

Since I've been doing quite a lot of currency exchanging lately so I thought I'd make a thread for it rather than constantly making new threads all the time.

Buying BTC

I'm buying BTC for 1:1 Paypal.

Buying PayPal

I'm buying PayPal for BTC at a 15% rate.

If you need BTC or PP, please post below or PM me and I'll reply ASAP.
