Thread: [Advanced VPN Client || Custom Features, Controls & Theme || #1 Client On HF Market](#)

Null Agent - November 10, 2016, 6:12 pm

Selling my VPN Client Source.

It's the most advanced VPN on HF market and it can actually compete with some high-end VPN clients out there.

Price: \$350 (Or Make An Offer)

[Features]Graphic statistics of bytes Received/Sent.

Customs Controls (Fully customizable (Colors/Fonts ect).

Check server status (Online/Offline).

TCP/UDP connections.

Custom Speed Test (Download/Upload).

TAP Driver Installer.

Disable internet connections if the client isn't connected to any Server (Kill Switch) (Optional).

Reconnects if the connection with the client connection is lost (Optional).

Check origin country and IP (e.g: If you connect to United States server it will search for the IP and Country and display the country on a PictureBox and the IP on a label).

Logs (Check all the events on the Client).

Automatically checks for updates.

Open webpage when connected showing your IP and Country (Optional).

Backend application (Edit server status (Online/Offline) and Speedtest file to be downloaded/uploaded (Default is an 500MB file)).

Many more.

[Includes]Full project VB & C#.

Images (Logo, Icons ect)(PSD, Ico, Png, Vector).

My full support 24/7 (TeamViewer or/and Skype Call).

[Screenshots]

Spoiler ([Click to View](#))

Connecting:

Speedtest (Download) Testing:

Speedtest (Download) Finished:

For all potential buyers:
I will add L2TP & PPTP later day upon your request for free.
I'll also re-brand/change colors/logo for free.

RapadazIT - November 11, 2016, 4:29 am

If I could I would buy this project. For the future owner: you'll never find a so looking good project so take all the advantages from it. Vouch for you as ever!

TheChi?f - November 11, 2016, 4:54 am

I'm interested in buying but the price is too steep.

Null Agent - November 12, 2016, 8:02 am

Still selling this, keep in mind that the price is not firm.

Null Agent - November 13, 2016, 11:13 am

Still looking to sell this, price is not firm it's negotiable.

Null Agent - November 14, 2016, 4:27 pm

Will let this go for \$250 in the next few days as I'm in need of money.

Egregious Jr. - November 14, 2016, 4:29 pm

Damn this is awesome. I don't think you'll get anywhere near that price though.

Null Agent - November 14, 2016, 6:10 pm

Lowered the price to \$250 which is way too cheap for such a project.

It's the most advanced VPN on HF market and it can compete with high-end VPN Clients from

known companies.

Will let this go for \$250 in the next few days, let me know.

Null Agent - November 15, 2016, 6:46 pm

Will let this go for \$250 in the next few days, let me know.

Silent - November 15, 2016, 7:33 pm

This man over here knows what he is doing.

Essentially a god in this area.

Null Agent - November 18, 2016, 8:22 am

Still selling this for an amazing price, let me know.

Null Agent - November 20, 2016, 1:32 am

Still selling this guys, let me know.

Null Agent - November 21, 2016, 3:45 am

Bumperino, will let this go right now for \$250.

Null Agent - November 22, 2016, 8:51 am

Bump, selling this for cheap let me know.

Null Agent - November 23, 2016, 9:43 am

Taking offers let me know.

Null Agent - November 24, 2016, 4:30 pm

Still looking to sell this guys, let me know.

Null Agent - November 27, 2016, 2:43 am

Could consider \$220 in the next couple of days since I urgently need money.

Null Agent - November 30, 2016, 2:59 am

Still looking to sell this, let me know guys.

Null Agent - December 6, 2016, 5:23 pm

Still looking to sell this for \$220 for the next few days only.
Let me know.

Null Agent - December 10, 2016, 11:32 am

Bump, still looking guys, let me know.
