Before you give your shitty opinion, this is not up for debate, THIS IS the best show airing.

Kiitarou Shounen no Youkai Enikki

I'd post a link but 50 post count..

Drifters is alright, the art is horrendous and the characters are shitty as hell. It's like a bad Hellsing.

This.. This is great.

iMew - November 12, 2016, 12:36 pm

judging by the synopsis it's just a worse rokujouma no shinryakusha

It's a 3 minute show, the synopsis takes longer to read , just watch it.

Professor Pantsu - November 13, 2016, 2:43 am

I'm not lying when I say Keijo is my favorite of this season. Drifters and Hibike are also great.

pllsathna - November 13, 2016, 2:32 pm

Anyone else watching Izetta The Last Witch? Kinda interesting so far, but doesn't seem like anyone is watching it.

It's pretty cool. I like seeing Izetta own tanks and planes with magic.

Is it actually lit? As a rule of thumb I don't watch shows with guns on the cover.
