(May 16, 2014 12:24 AM)Codypls Wrote: [\[CITE\]](#) This guy is the true socialhero. Not the one we deserved, but the one we needed.

Upon purchasing some Facebook likes, we sky rocketed to the galaxies above, defying all laws of gravity and all physics workings as we know it.

We defeated all the evil doers, plunged the deepest oceans, raised the bar far above what I had imagined. Not only was SocialHero super handsome and jaw droppingly nice, he has the sixpack that only a god could desire. I mean seriously, just look at that GOD DAMN BANDANA. This guy KNOWS his shit. And that belt buckle, my god, SO HANDSOME.

Okay I might be high, I bought some likes and he was nice. (Jul 18, 2015 11:24 AM)hanzae Wrote: [\[CITE\]](#) Okay. Dropping my vouch. Having used a few of Ken's services now, I've been met with nothing but professionalism, the first order were a bulk of followers - the second order was for a bulk of followers over time but having changed my minds to a few reasons he was happily able to exchange them into likes, I'm really happy with how I was treated, albeit a few longer responses than usual (which was fine, due to the circumstances) I'd say there was no funny business or anything out of order here. Vouching full in for the Social Hero. (Jul 27, 2015 02:17 AM)Releases Wrote: [\[CITE\]](#) So I went on adding him on Skype. When I woke up I got a message from him if I needed any help and how I was doing. Good way too start of the day I must say.

Went on buying 1k IG followers. Sent the money, and in 30 seconds we were up and running. In less than 5 minutes I got the total of 1k followers.

Good service, nice guy and fast delivery. My vouch, you got it! (Jun 11, 2014 07:36 AM) irondreadnought Wrote: [\[CITE\]](#) Absolute pleasure doing business with this guy.

I appreciate my vouch isn't worth much but; I was able to buy 1k HQ Twitter followers for myself & A friend - He made sure they were safely delivered too, not to mention I was only after 100 IG followers for a reduced price, he was kind enough to simply send over a full 1000 IG Followers which had my phone blowing up in seconds.

Huge vouch for this guy, awesome to talk with too.

for a bit less but that was all because I suggested so. I got what I needed and all the support I asked for. HQ Vouch for this HQ service.
