Thread: [What are the requirements to post in marketplace?](#)

**Blizzarious** - November 12, 2016, 7:16 am

Hi, I've been searching and I can't seem to find a direct answer. I would like to know what the requirements are to post in the Non-Free Accounts section of the marketplace are. Any help is greatly appreciated.

I am pretty sure you need to have positive reputation to post in the marketplace.

Or chilling on the computer because it's pouring outside.

Only Ub3r members can. Read the sub forum rules and help documents to find the answers to your questions.
