Tommy Chong- - November 12, 2016, 11:58 am

Parenting done right

The funny thing is, those are the kind of people that blame Trump for deviding the country. While they have the biggest contribution in it

Guede - November 12, 2016, 12:00 pm

that's a bit fucking harsh

? [\$(1000)\$] ? - November 12, 2016, 12:03 pm

That kid was really scared... how is that good parenting? Teaching a kid to not develop his own opinions?

That was obvious sarcasm if you look at the rest of my post. SMFH

Damn I hate Donald Trump too but I would never do that to my child and make him suffer that

Mafty Navue Erin - November 12, 2016, 5:06 pm

And just like that another sheep was created. Someone put a gun to this bitches head and pull the trigger a few times.

Cometrex - November 12, 2016, 5:53 pm

This is the bullshit. Trump didnt divide this country, closed minded people like this did.

LastSession - November 13, 2016, 9:00 am

Well I just hope that the woman gets mental help.

bigsherm667 - November 13, 2016, 3:43 pm

Kswag - November 13, 2016, 11:14 pm

This parenting will probably carry on with the kids since kids learn of their parents so in about 25 years expect another video like this

Gh0sT` - November 14, 2016, 12:32 am

This isn't discipline. It's teaching the kids something that's illegal.

If this wasn't a mock election she'd be doing something illegal.

It's illegal for anyone to bully you or use force or threats of force to influence your vote.

The negative reputation I gave you is discipline too.

SirNoobHack - November 14, 2016, 8:57 am

Indoctrinating your kids 101! What a despicable human being... Forcing someone to think in a certain is horrific in any way, long live free will & speech!

Cynical Spark - November 14, 2016, 9:06 am

I understand the racial tension in the US right now, but this is just unbelievable. This is not a way to teach a child right from wrong.

Forum Developer - November 14, 2016, 9:27 am

This is harsh. I bet you that mom beats on her kid... it seemed that way, how the boy reacted.

Kid might still grow up to have a mind of his own since his mother is an idiot.

He's rebelling already.
