Please put my name on your thread if you use it :)

P.S some of the layers may not be balanced which can trigger someones OCD. sorry.

Neat. Where did you get the background? Do you have one site where you always get it from or do you just Google?

If you're looking for backgrounds, hit up [wallhaven](#).

?

Looks neat, thanks. I were just asking him because it had an unusual width and height. Fits perfectly for thread designs, as shown in his template.

LuViolence - November 14, 2016, 3:38 pm

Really nice and professional design, looks good.

Thanks for sharing .

You're right, I actually just noticed that, kinda curious too.

Wespa - November 14, 2016, 11:11 pm

Thanks guys!

Nah I just google.

latesince - November 16, 2016, 8:06 am

Clean so bloody clean man keep it up
