User is super sketchy do not deal with.

Proof:

- Your terms of service deal with PayPal not agc
- Stock shown in thread title is not the same as stock in the post
- Literally no vouches
- OPEN GOD DAMN SCAM REPORTS ON THIS GUY. JESUS CHRIST.

Hopefully anyone willing to deal with him is willing to at least read the first reply before deciding to give him any money.

This guy WILL take it and WILL run off with it. You WILL get fucked. There is no doubt in my mind that this isn't a scam. Hell it's so fucking obvious it even looks like it's written by one of those people who write shitty Nigerian Prince emails.
