Thread: [Color experiment for a vector art](#)

igneous27 - November 15, 2016, 5:23 pm

is it too much or it is not ?

what do you think ?

i'll be happy about your feedback :)

MeIT3d - November 15, 2016, 5:27 pm

Not sure if it's too much color or not, don't do much graphics design, but I like what you did with it.

Ancestral - November 15, 2016, 5:29 pm

IMHO, I think it looks washed out. Maybe try doing a hint of green instead of blue on the person would make it pop out more. As green and red are complimentary colours...

Okay sir !! Thank you !! maybe next time i'll try your suggested color !! thanks !

Motusora - November 15, 2016, 10:35 pm

it's perfect except for the blue , should be a little darker ...

good job tol !!!

Peytronz - November 16, 2016, 1:22 am

I think it looks amazing! Good work dude. Like Motusora said, maybe a little darker blue but other than that its perfect.

Thank you !! the actual purpose why i combine the blue and red is to make the eyes of people who will see this irritated or hurt hahahaha ? ?? but still thank you glad you like it !

Colon.y - November 27, 2016, 2:11 am

Looks really good, keep it up

Scarface™ - November 27, 2016, 8:49 am

Looks pretty nice to me, keep up the good work.
