Thread: [Scammed \\$120 by dopepizza uid=2693790](#)

**Dabby Duck** - November 16, 2016, 11:38 am

So, I saw [this thread](#) and offered to do \$120 BTC for \$133 Paypal

We did the exchange, I went first because he had a fuck ton of rep (dumb move on my part)

PM

Spoiler ([Click to View](#))

Yes, I did send him my email address for paypal, it's in another PM where he stopped replying

Transaction on blockchain:

I am in the same position as you. Looks like he is attempting an exit scam.

I have seen multiple scam threads on this user. Always use a middleman, regardless of how trustworthy users seem.

Damn.

I saw a thread where he said he came back from a 6 month self ban.

And now I see that he is scamming..

The fuck.
