Have received a copy and must say that it isn't something I personally have seen before. Method is simple and straight forward and will easily clean up hundreds weekly if done right.

Lord_Jesus - November 16, 2016, 4:51 pm

Thanks for the feedback! Cheers.

I'm a bit curious, not sure if it's been 15 people yet since PMs but if not I'd like to get it. Thank you in advance.

Edit:

Honest review: Unique yes, efficient (to me) no. It would work, but it's almost like you could just do half of the method instead and make the same amount. Just my thoughts.

Won't be using it personally but I'm sure a lot will.
