Finally... I get why it was so difficult to do but it's about time we get to change our PSN ID. The theory is that it'll be announced at PSX (PlayStation Experience) on Dec 3-4. Fingers crossed. ??

Lol mine is SoSolidAlex

I was actually considering creating a new PSN account today, but then I was like why the fuck would I do that just for a name?

Hopefully it happens, I'm satisfied with my PSN but a lot of people I know aren't.

hopefully they give out 1 free name change + purge banned PSN names too.

I really want this PSN I know of that's banned. :X
