Just received my vouch copy.

This does work and take literally no work lmao, You could do this in 10 minutes time and requires the internet ?

Good method to get some adds,views, and just new people to snap.

Worth IMO! ?

Mr.Peanut - November 19, 2016, 1:41 pm

I just received a vouch copy from OP. This is a method one I've actually received in the past (from another user/shop) (won't list who). The method is slightly different but I can assure you this works. There are definitely some tweaks that can be made though, any user can discover what that may be on his/her own. Lastly, this method is very short and is to the point. I do wish it were in depth some more but it's all good.

thedakkle - November 19, 2016, 1:42 pm

Can I have a vouch copy? I will write detailed review :)

simple method that I tested for a bit, and it works, after the setup it's pretty easy, and I got around 50 views in 30 minutes of work (I wouldnt recommend spamming it 24/7 because you can get banned and you don't want that happening) I can easily see this getting you 1k+ views a day (if you do this correctly)

Im 99% sure that this will work! It is easy to do and even a 5 year old could do this! The method is nothing thats 100% private but not every knows it.
You can get some views with this easily.

[6.5/10]

9.99\$ might be a bit expensive but I think you can make your money back easily if you know how.

[6/10]

The design is meh. There is no design to be honest but you can read it and thats the most important thing ;)
