I posted this here because that marketplace reputation thingy srry but i have to get this resolved
Scammer: member.php?action=profile&uid=3158490
i trusted him because he had 3 rep and showed proof that he sold keys on g2a

So he added me on skype he wanted me to buy his cd key for csgo he was selling it for 8.55 since he looked trusted i accepted the deal i looked at his profile and saw hes from same country as me so we spoke and i accepted to pay first in paypal (He said that i can chargeback etc if anything goes wrong) and now hes just ignoring me
Proofs: soon
