Keep rockin' bro! ?

For anyone that doubts this, I've seen the man in action, and I also buy his AGC so I can verify it. Crazy lucky when it comes to gambling, too.

This is indeed something to brag about.
Keep up the good work :)

Keep going man, if you ever have more BTC than you know what to do with my wallet is always empty. ;)

Keep up the good work.

Send 50\$ to your wallet, close your eyes, put max bet and auto spin heheh

Only if u have spare cash, playing to win money you need badly wont get you anywhere ?
