Thread: [\[H\] PP \[W\] BTC -- Mitsuha's Exchanging Services.](#)

?Dominate - November 23, 2016, 11:35 pm

Exchanging my PayPal to your Bitcoin.

Let me know your rates below and I'll get back to you if I'm interested.

My PayPal is 100% Verified.

Current funds : \$40 USD - can exchange in small increments as well.

My rates are :

Anything below \$10 - 1:1

\$10 and above - 10%

Only going first if you're more trusted than I am and have no valid and/or pending scam reports.

[Currency Exchange](#)! believe the Currency Exchange sub-forum has a restriction that only allows Ub3r to create threads there.

That's why L33T's (such as myself) and other members use this sub-forum as an alternative. Correct me if any of my assumptions were wrong.
