Thread: [\\$5 BTC GIVEAWAY FOR 40-100 PEOPLE \[\\$300 GIVEAWAY\]](#)

The Arrow - November 24, 2016, 11:00 am

EDIT: GIVING AWAY NOW, SO WHEN YOU POST ILL BE PMING YOU SHORTLY AFTER YOU SIGN UP

Ok guys, I've been awaiting this for a long time. I told the community I would do a \$100 giveaway, well I'm 1 upping it and doing a \$300 giveaway for you guys, but there's a twist.

I've recently (with the hard work and dedication my partner Carlo) launched a bitcoin gambling site. You might have seen this launch, but we have COMPLETELY REMADE the site, and has a new professional look, with new coding and everything.

Our site: <http://dicevsdice.com/beta/>

We will be giving away \$3 accounts for 100 members, and \$5 accounts for people who wear the link in my signature for a week [PM ME FOR THE LINK] (We will be keeping track of this)

Rules of the giveaway:

- You must make an account, and the \$3 will be deposited directly on your account once you give me the address it gives you with a screenshot and proof of your account.
- You must post below saying you've made an account with this proof, and your account name
- You must have FUN

Giveaway winners will be the 100 people chosen from a random number generator, the number will be chosen from your post. We start the random number generator exactly 24 hours from now, 2 PM EST.

NOTE: SAVE YOUR URL LINK ITS HOW YOU LOG IN

It's because nobody is online unfortunately

I waited most of the night to play, one guy came in while I was in the kitchen and then left when nobody responded to chat lmao

Get back on, I'll play against you
