Thread: [>>>> Method For FREE Netflix, Hulu, Spotify, Napster, UFC, ETC - NO CRACKING <<<<<](#)

?Kamalu - November 24, 2016, 4:43 pm

This is NOT an account giveaway. I will not be giving you accounts so do not ask for accounts. This will teach you how you can get access to Netflix, Hulu, etc yourself without having to crack accounts.

Post below or PM me for the method.

Requirements: Patience.

You will NOT be doing the following:

- Blackhat
- Refunding
- Trials

What will be doing?

Using & exploiting a website.

No. The method and the resource we'll be using is public. However, it isn't easily found unless you were looking for it.

Its probably a lot simpler then what you might be speculating.

Sh4rk Seny - November 24, 2016, 7:15 pm

Sounds interesting. I have been searching for a method like this I guess, but no results. Well I found some but many not working.

(Nov 25, 2016 03:23 PM)CentralIntelligenceAgency Wrote: [\[CITE\]](#) nothing blackhat --> exploiting website....

The exploit isn't illegal or malicious in anyway.

What I provided in the "exploit" is a link (on the website) that allows us to view the entire database. The website creator didn't block his/her directories so we have access to view the Index of all his/her files. All of which are public. However, the website creator (probably) didn't intend for his/her website to be viewed this way since he/she implemented a search feature that allows access to these files.
