GDK Rum - November 24, 2016, 11:29 pm

My friend was scammed by him, he is new to the community and is scared to post on here.

09/09/2016 : <https://hackforums.net/showthread.php?tid=5401141&highlight=%22Kira>

He scammed Chubzy aka Scared for 300 BTC For the PSN Troll

Him telling a friend he has the PSN Troll : <https://gyazo.com/44ac956f5c53082016a35510d2c30d99>

Peep how the name is the EXACT SAME

FYI : I would like that case to have a further investigation. (:

Another Scam Report:

My friend was buying the psn 'uzi' for 580

money sent : <https://gyazo.com/37f5f106f084e2fcb3a819fd6b4e8811>

saying his paypal got limited : <https://gyazo.com/1ea95c2195c9a31d338873b3763f451f>

same limited paypal photo on google images :

https://www.google.com/search?espv=2&biw=1920&bih=950&tbm=isch&sa=1&q=limited+paypal+&oq=limited+paypal+&gs_l=img.3...5294.5294.0.5354.0.0.0.0.0.0.0.0...0...1c.1.64.img..0.0.0.iqH Mv_szQB#imgsrc=BpDvRvG3UedIhM%3A

^ peep the balance is the same and the layout (terrible cropping Kira)

Him flexing on his snapchat about getting money :

<https://gyazo.com/177bcb65490d0cf561ed05dafbf0aca1>

(People saying 'oh not the right amount' blahblah he paid his little buddy off to keep his mouth shut)

(I have the picture with his name in it and alot of people can confirm its his name.)

I tried to explain him how to dispute, hopefully he can get it back.

I never scammed chubzy, i simply got back what was mine.

"Him telling a friend he has the PSN Troll". I do have it and never scammed anyone for it. If anyone doubts me message me for proof.

Yes as of recently I have had problems with Paypal, I do not use my personal Paypal for certain reasons. I use friends or my 2nd Paypal. Paypal finds it suspicious with large incomes and limits it. But i would like proof of one single person who has been scammed where they lose out on their money or their product.

This is more of a hatred thread, your little group just envy me because im making money and your staying at the bottom.

What's there to be scared about. Kira isn't much of a threat loool. His harmless.

If your friend truly got scammed. Get him to post proof. Otherwise people wouldn't take it seriously.

I know his your friend, I've been in similar situations.
