Rolex is a ripoff. At least Omega watches have class to them. Even when someone wears a rolex,
most people don't assume well of them ?

Windows 98 - November 30, 2016, 3:24 pm

buy you is insane.

I bought this one and a nice \$700 Tissot.

To anyone wondering, it's a Omega Globemaster. Nice watch op, would you ever consider getting an AP or a Hublot? Omegas are great watches but imho they're not as aesthetic.
