Thread: [FREE! | HUGE Program Icon Pack! | 3000+ ICONS | For RATs/Programs & More! | .ico](#)

Dr Steve Brule - November 25, 2016, 7:38 pm

Howdy HF!

Over the past couple years I've collected a metric fuck-ton of icons! To spread the holiday spirit i'm giving out my huge pack for free!

Potential Uses:

Your Program!
RATs! KEEP YOUR RAT FUD!
Websites!
Program Spoofing!
And much, much more!

Preview: [\(Click to View\)](#)

This is only the main folder, doesn't even include the subfolders!

How do I get it?

Post Here!

Damn thats a lot of icons, can i get it please! Thanks!

Cyrusthevirus1 - September 16, 2017, 12:12 pm

I am curious if any coder may want to look at the software I have called Finspy. It is sold to governments, and law enforcement around the world.. Has 0 days, and programs that no one thought possible...I am interested in reverse engineering some of it. This stuff is sick! Several applications for everything from android and apple to PC web servers ect...

Legend VIPER - September 17, 2017, 3:12 pm
