Thread: [Final Nightmare Lifetime Membership - \\$100 BTC \(1 year guaranteed membership\)](#)

The GRim - November 26, 2016, 2:39 am

"We are enlightenment to some, nightmare to others."

Loyalty, Intelligence and Success are Nightmare's building materials.

Goal:

Nightmare's goal is to promote quality in HF. For this reason, we offer Nightmare memberships for a fee. In Nightmare you will find a series of premium tutorials, written by our experienced members that will help you.

Prices :

\$20 Monthly.

\$100 lifetime

Terms for Lifetime membership:

?If the group gets sold within a year, you will get full refund.

?If you're loyal and I feel like I can trust you, I will teach you some methods to earn money. It's a bit gray hat tho but you can earn a lot more than you can imagine.

?I usually pick paid members as group leaders if they are active enough so you have a chance of becoming the group leader too.

PM me if you are interested. I'll let you on some secrets about what's about to happen with the group. This will be the last lifetime membership that I'll be selling.

James Burnham - November 26, 2016, 2:55 am

There are some great threads in Nightmare, I have been picky in choosing the members for some time now. So the quality in Nightmare reflects these choices. If you have any more questions you can message us.

Deany - November 26, 2016, 3:08 am

I've been in Nightmare for a very long time and I can tell you it's a very mature and active group. So if you're looking for a mature and active group, Nightmare is the one to join.

Lauren Southern - November 26, 2016, 3:10 am

I own a sector in Nightmare and can vouch for Nightmare as being a very mature and competent group. Grim is a great guy and I highly recommend this to anyone looking for a group.

Thank you for purchasing the lifetime membership.

Good to have you in the group :)

?KinG? - November 26, 2016, 5:53 am

Vouch for this group, been a member for a while and there's no trolls.

eCoLoGy - November 26, 2016, 6:17 pm

This is totally worth it!

The group only has smart users and a lot of quality threads with really nice tutorials from many areas of interest.

You won't regret it for sure and that comes from me, one of the oldest group members. ?

Dredd - November 26, 2016, 6:39 pm

I've been in Nightmare for a few weeks now, I own the Nefarious Sector in the group. I can 100% vouch for this it's a great group to be in, great people and I know anyone who purchases won't regret it.

Sho?kwave - November 27, 2016, 7:10 am

Great group, haven't met them all yet but most of the members are quite intelligent and just general good people.

Being a member in Nightmare for a while I can approve you won't regret it if you buy this.

You will also have access to unique tutorials and sometimes giveaways being in Nightmare.

Thank you for your honest opinion.

PM me to buy membership. Prices are fixed and won't change under any circumstances since it's not fair to sell at different prices to different people.

Brahma™ - December 1, 2016, 11:39 am

I was probably one of the first few members who took lifetime membership coz I believe this group has the best of hf members as a part of it. Nightmare Rocks!!

Appreciated.

Brahma, Moxxi & eCology were first 3 members to buy lifetime spots and now it's been more than a year and they are still part of the group.

Pm me if anyone else wants to buy.

The GRim - December 6, 2016, 2:25 am

Still some spots available.

The GRim - December 12, 2016, 1:36 am

This is your final chance to buy into Nightmare. I will be doing something else with the group soon.

Brilliant™ - December 12, 2016, 7:12 pm

Im part of the group from its beginning. Untill now I've had a much greater experience on hf than I've had in my time in just lurking on hf. I've got so much love from members and not to forget the group exclusive free stuff and discounts. Im thankful to grimmy for letting me be a part of nightmare. I've been utilizing its name for greater profits than I estimated. :)

There's something interesting coming and if you don't want to miss it, I suggest you make it into nightmare while you still can.

Lol in some threads you offer membership for \$2, some \$50...

I get that it's your group and I'm not hating but I'm jus saying if you keep treating it as a shit-money making thing it'll be worthless eventually my friend

False claims.

My prices are fixed, I never change it even if it's a friend since it's not fair.

BitcoinTalk - January 14, 2017, 9:30 pm

You were offering nightmare membership if someone gave you \$5 in that rewards thread you made.

Why do you need to bring rep into this? Fucking bottom feeder

I posted one thing giving some advice. He was offering membership for two fucking dollars and then here for \$100 saying no special rates, then he -3d me. If he didn't have to be such a cunt about it and could actually take something up the ass like a man instead of using his rank as a privilege, this wouldn't have happened.
