Thread: [Lounge restriction?](#)

samtenny - November 26, 2016, 3:33 am

You've made 40 posts in the Lounge in the last 24 hours. You'll have to wait to make a new post here. Upgrade to l33t/ub3r to remove restriction.

Has this been here forever?

It has been a restriction for as long as I can remember.

Yep. I remember this restriction back in 2008.

Spoiler ([Click to View](#))sike you fuckers thought I'm a multi ehhhh??? But for real, I do remember being hit with this restriction back then lmao

Don't you just hate it when you spend ages writing a great post and you get fobbed off with that message.
