Taking paypal at 15%

doing small amounts for the time being.

Will not go first unless you're fully trusted, happy to take on a middleman if we have to.

Your paypal needs to be verified and must be under your legal name, so i might be asking for some verification, this rule may not apply under some circumstances.

Current stock: 0 (8/12/16)

However, if anyone needs to exchange 2k+, then it can be arranged.

will have more in few more days
