Thread: [\[Graphics Contest #3\] Design something Hack Forums and Christmas related](#)

M?xim - November 26, 2016, 11:18 pm

End of contest: 12-03-2016

Design something that is christmas related, in someway it should also be Hackforums related. Maybe redesign the Hackforums banner, make a signature, avatar, ad banner, logo, wallpaper, and so on. It can be anything. If you use vectors / renders or such, it is better to note it than try to hide it. It is ok to use it thought.

First place reward: \$15
Second place reward: \$10

Winners will be judged by their creativity and quality.
You are not judged by your rep, post, who you are and such.

How to enter: Post your entry below.

Entries need to reach at least four, if not, another contest will take place.

If you have any questions, post below.

Yep. The last one had 7 pages of posts. This is the closest people will get to a real contest in this section, most threads randomly gets closed and you'll never hear from OP again. Hopefully we'll see some more entries.

I might give it a go, although pretty busy with an appdesign. Nice to see a real contest in this section. :)

2 days left and i will be the only winner .. it feels bad when you only win a competition just because you don't have any opponents ..

It hurt my eyes searching for my username and realising it isn't there.

Great design nevertheless. Omni should print Christmas merchandise using this design and sell it.

Motusora: Clearly a first place here, you obviously put in a lot of work on making this. There are just some minor things like some shadows, but maybe Omniscient is in another solar system where we have quite a few suns, I couldn't tell. Then just the nose, lol. But anyways, you did a nice job. Congrats.

Mangata: Not too much of graphics let's face that, but I chose you because the creativity. [The Lounge also liked your Christmas tree.](#) Some did not, because their name wasn't on it. So if you get some negative reps.. My bad. Really creative design thought, good job.

Will send a private message to the two of you later. Thanks for all submissions.
