Trust me, you don't want the Brony award. Omni will not like it. ;)

Thornzzz - November 27, 2016, 4:58 pm

Title is misleading as fuck. Say's you'll be gave \$100 to four people, which to him really means \$100 will be gave to Omni and HF and you'll get the gift award.

Bandits > Group sponsoring

\$100 > Total amount

Gift > What the giveaway

Giveaway > States what kind of thread it is

to 4 lucky members > $\$100/4 = \$25$ which is the equivalent of 4 Gift Awards

Weird how that works.

Edit: You have been disqualified this giveaway for not follow the rules. Rule 2. You must not have a Gift Award already. ?

Here's a short story about a young boy with big dreams.

There once was a boy, a young boy, who thought he could change the world.
He grew up, thinking and striving to change the world.
When he graduated from high school, he decided to do something great.
However, instead of changing the world, he simply died.
Well, he never really died, as he is imaginary, just like this story.
Happy Holidays! Hope you enjoyed reading one of my most pointless posts ever.
Also, thanks for the giveaway.
