Thread: [\[ZETREX\] Free Game\(s\) Giveaway! \[ROCKET LEAGUE\] \[RE-ENTER\]](#)

Ancestral - November 28, 2016, 11:41 am

Introduction:

Hello everyone! I felt very generous this Christmas and I decided to do a giveaway for a few games! In order to win, all you have to do is post! I will pull from Random.org the post number, and if it pulls your number you win!

The games include:

Fallout 4 (Steam Key)
The Witcher 3 (GOG Key)
Subnautica (Steam Gift)
Rocket League (Steam Key)

Schedule:

Every Friday up until Christmas one of those games will be gave away. Each Friday I will post which one will be gave away, if you don't want it or you have it, wait until next Friday.

Rules:

1. YOU WILL have to join.me or any form of screen share while you redeem the code. To ensure my safety of my account.
2. ONE post per person per game. No replying to others as it fucks with my post count.
3. If you won a game last Friday and you win again, you will not be given the game as you have won already and it's not fair to others.
4. If the key does not work in any case, do not freak out. PM me and we will resolve it. All these games were purchased by me.
5. If the random.org generator happens to land on me, I will roll again until another user is chosen.

This Friday's Game (ENDING 11PM ET):

This Friday I will be giving out Rocket League. Please reply once to enter.

Previous Wins:

The Witcher 3:

REDRAW FOR WITCHER 3. USER AGREES.

Subnautica:

Fallout 4:

Rocket League:
