I was hooked after the first episode. So far I'm on Episode 6 and it's quite good, I like it. I don't know why I waited so long before watching it.

Looks like Kouko have some mental/emotional issues from what I can see so far. Like, she's not "all there".

Damn, such an awesome Anime. 10/10 watch, I recommend it. I shouldn't have waited that long before watching it. Also, it makes me want to watch Nana for some reason...
