Thread: [becoming an ebook collector](#)

COMMUNE - November 30, 2016, 12:21 am

after alot of thought ive decided i'm going to start becoming an ebook collector, i've always been fascinated but the concept of ebooks and how much money they make the owners.
ive started a small collection so far and own around 50 and spent around \$1000
ive got to say they have brought me hours worth of reading enjoyment
anyone who hasn't brought an ebook already i highly recommend

and hopefully we can start an ebook fan group page on facebook or something to thank all these wonderful authors, hey maybe one day they'll become full blown celebrities and you can tell people you were part of the starting moving

WHO'S WITH ME GUYS!!!????!!!!

p.s if your selling an ebook pm ill buy it no matter what it is. i love you

I spent an insane amount of time curating and organize them, and I don't think a photo of you in an invisible costume justifies it.
