How dedicated are you ? - Out of 10, I would give myself a 7.

Why do you want to join ? - I have been playing CS:GO for 2-3 years now I have a decent amount of experience and I recently started taking the competitive side of CS:GO serious. It would be better for me to play with a team.

You able to play with low rank players? - Of course, I can also teach them anything they would like to know within my knowledge.

Yes, I have.

How dedicated are you ?

I was serious addicted to this game. Playing CSGO for almost 2 years now.

I'm not playing that much anymore, but still playing almost everyday 1/3 comp games. In weekends I'm playing more ofcourse.

Why do you want to join ?

I would love to be a part of a 'real' gaming team/group.

A serious team/group where you can help and learn from each other.

You able to play with low rank players?

Yes ofcourse. I'm not someone who thinks he's better than anyone else.

Priority No. 1 is playing as a team and helping your team mates if they need any help.

Yes I have discord

How dedicated are you ? -

I can dedicate a good amount of time. I normally play around 3-4 hours a day and I can shell out even more hours while playing with members here.

Why do you want to join ? -

I have always been a passionate gamer. I have never even thought of hacks. I have been playing legit all the time. And I always wanted to join a serious group with a set roster which is dedicated. Being a person who has played various college level tournaments and some online tournaments, I feel this is the perfect opportunity for me to join.

You able to play with low rank players? -

I am completely fine with playing with low ranked players. I never play for achieving a particular rank. I play for fun and ranks doesn't even bother me.

Here's my steam id [Click Here](#) and I have added 2 of my videos. These are somewhat old videos but you will surely get a idea about me :D

How dedicated are you? - Counterstrikes, Especially CS:GO has been close to my heart. I enjoy FPS Games, usually playing them from 4-8 hours a day. I take competitive games seriously and try my best everytime. A lose won't kill my motivation, It just grows it.

Why do you want to join? - I enjoy to play teamgames with a real team who I can trust and they can trust me. Old team I were a part of got disbanded due to lack of time some people had for the games.

You able to play with low rank players? - Yes. I can play with anyone, Will try my best as always to give tips and my ways of playing the game.
