Thread: [\[Method \] - How to WIN any PayPal Dispute - 100% Success Rate](#)

DProdigy - December 1, 2016, 9:45 pm

I've been using a method to win PayPal disputes for years now,
I have not ever sold this method on Hackforums, nor do I believe to my
knowledge that anyone has ever used this on Hackforums.

This is a sure fire way to win ANY PayPal dispute possible, rather they send it as a service, goods
or

anything of the sort you will be able to win the PayPal dispute.

The price is high, but this is because It is a FOR SURE METHOD and
has NOT been spread all over Hackforums and other forums and I will
ensure it is not LEAKED or anything of the sort, I may give out a couple vouch
copies but giving out vouch copies means that there is exposure to the
method.

Why should I buy this Method? Fool Proof.

Never Lose Any Dispute.

Make more money with PayPal.

Don't have to worry about your PayPal being closed or limited.

Be a winner, not a loser.

FAQ Private Method

Never been sold on Hackforums.

This method is a secret

Have not lost a dispute in over 4 years.

White-Hat

Detailed Method Price: 45.00

* THIS METHOD DOES NOT HAVE ANYTHING TO DO WITH
SHIPPING EMPTY BOXES OR ANYTHING OF THE SORT.
TO MY KNOWLEDGE I AM THE ONLY PERSON WHO KNOWS THIS METHOD.*
THIS METHOD IS NOT ILLEGAL, TOTALLY WHITE HAT.

Would you be willing to give out a vouch/review copy? Also you did not mention a price.

I may eventually give out vouch copies but for now I am not too sure on that subject. Need money and that is why I am turning to Hackforums to sell it, I have never seen this method on Hackforums and that being that means that If I give out one copy for free, it could be spread and leached.

I do not want this method getting out there as PayPal would find a way around it once it gets to saturated, I've been using this method for 4 years myself, not once have lost and not once have they changed the rules.

Do you not see the vouch copies above? There are two and only two vouch copies.

If you are giving vouch copies, I'd love to try it out. Got a dispute I can test it on. Also know a couple of people who would buy your method/

I'll take a vouch copy if you can give me one, I'll leave you a honest review. :)

I would love to receive a vouch copy. I use PayPal frequently and can give an honest review of your methods. Let me know if I can get one, thank you ?

I see where it said you're giving them out but not where you've already given them to people
