Facebook blocked me please look for help verifying images pay! my skype or8960

ChaosComputerDude - December 2, 2016, 4:34 am

are you allready at the verify with ID stage or could you still put in a phone number?

Motusora - December 2, 2016, 4:42 am

if it's your own facebook account , you won't have any problem on verifying images ...
