Hi OP! Could you make a twitter avi for me? It could be any design but incorporate the name Kyle on it.

Nevieth - December 4, 2016, 1:25 am

I permit you to have this thread, you're welcome.

I'm glad you waited for me to close my "Fuck my shit up" thread.

- 1.Stop typing like a mentally challenged ape
- 2.Getting on it rn bb

EDIT: After reading past your terrible English, I realized what you're asking.

No I'm not going to mimic someone else's work so that you can use it for a website. That's plagiarism.
Bumperoo.

(Please request, I'm sad)

Will get on in the mornin.

But yeah, I looked over it carefully and I was like "He wants me to steal Illuminati's art, a group I'm a part of must I add, and change the font, so that he can use it on a site his friend is profiting on"

Yeah no thanks.

An?iety - December 6, 2016, 1:24 am

made me a shitty sig thanks u

Can I have Banner designed for my youtube channel??

Typically when you want a YT banner, you tell the person the name of the channel. Maybe link it.
