Thread: [Would you rather serve prison time or spend 2 weeks in India](#)

Glyco - December 3, 2016, 7:51 pm

The judge orders you 2 weeks in prison for sexually molesting a child. The child that you molested belongs to a father which he turns out to be at the same facility you're being sent to. You're most likely going to run into each other. Most of the inmates already have a name on you and are waiting for your arrival

However you have been given an alternative by the court spend 2 weeks in India surrounded by the likes of this group. You shall adapt their way of life, you will be given total complete freedom, but you cannot leave the country until your two weeks are up Meet your new tour guide

Well id choose the 2nd option over being tortured and raped in jail lol

skelly76 - December 3, 2016, 7:53 pm

Just go to India for two weeks and meet all the HF ebook sellers.

You'd probably be tortured or raped in India, unless the group your with didn't do it themselves and instead defended you.

But then you'd get dysentery and disease from the food there, rather than physical abuse like in the prison. In prison they may just kill you, while in India you might not die except for conditions.

Fuck it I'm going into PC and doing my two weeks in prison. Ill jerk off and think of your sister the whole time op.

I'm not going anywhere near the real India. The places you see on TV are cool but I'm not about that slumdog life. I do like the food tho.

Altcoin - December 3, 2016, 7:57 pm

Id rather go into prison to be honest

Deany - December 3, 2016, 8:00 pm

They rape kiddie fuckers in the pen so I'll choose India

Daniel Day-Lewis - December 3, 2016, 8:01 pm

The real questions however, is which one smells worse?

Windows 98 - December 3, 2016, 8:02 pm

Prison. At least you have somewhat protection there for what is to come.

Heart - December 3, 2016, 8:03 pm

I would go to india for 2 weeks.

Anyone else think the "tour guide" looks like fucking Trevor from GTA V??!?!?

rsx - December 3, 2016, 8:04 pm

I'd choose India, i'd rather not be beaten to a pulp and raped in prison

Torc - December 3, 2016, 8:05 pm

Two weeks in prison for molesting a child? What world are we living in here? If that is the sentence for molesting a child, I must already be living in India.

Everyone is assuming that, but they don't send chomos and pedos to general population right away. Most of them stay in Protective Custody away from the people who would fuck them up.

or Saudi Arabia or some shit considering Honor Killings are still a thing there fucking a child is probably laughed at.

Ishmel - December 3, 2016, 8:07 pm

Prison, easy as shit - just get locked up in SHU, you'll be out in two weeks, free, healthy, and unraped.

Korvo - December 3, 2016, 8:15 pm

Yeah man I'm going to have to go with prison. Like most have mentioned on here you can go into PC, even if you don't get that if you're not a bitch and man up, you'll at least walk away with some rep in the yard.

?

Mom - December 3, 2016, 8:18 pm

I'd probably go for 2 weeks in India. It's more peaceful than a Prison cell.

Truth - December 3, 2016, 8:19 pm

lol, where can I sign up to the vacation in India?

LOL Savage

Controlled - December 3, 2016, 8:36 pm

well if you take prison, hit a guard and get thrown in solitary everyday but add time to the sentence for assaulting an officer haha, but personally i would take the indian craziness because even if it was dirty and nasty i can imagine anyone will get killed for that in prison.

Tralen - December 3, 2016, 8:42 pm

India for sure, at least most of them are small. I could fight off a couple before they pin me down and take my manhood by force

India sounds like a nice holiday. Prison not so much.

Villxin - December 3, 2016, 8:53 pm

Don't really get why this would be a hard choice? If my flight there and back was paid for I would go for free. Even if I didnt have to choose between the two.

I feel like this is some sort of really lame attempt at a troll lol.

BR?ND?N - December 3, 2016, 8:54 pm

Why the fuck does everyone think India is so bad? It's just the internet Indians that are annoying as fuck. I mean, India for 2 weeks versus ass rape...India looks like paradise.

Should have made it harder, like prison, or a month in remote Africa.

ChaoticForce - December 3, 2016, 8:54 pm

I would rather do both 8)

I'd still go to africa even without the prison alternative. Provided the flight was free.

A harder one would be the middle of a war zone in Syria with nothing but a knife and a single change of clothes.

Mr.Peanut - December 3, 2016, 8:57 pm

I would gladly spend 1 year in India rather than those 2 weeks. People shit on India for no reason. I mean every country has it's shitty downs and amazing ups.

Just saying , they wont rape you as soon as you set foot on their land lol.Also you can find very less amount of gays and lesbians in India (0.02% out of total country population) so they wont rape you either (assuming you as male) ?
